## **Easter Holiday**

During the Easter holiday, I went to the Gold Coast in Tuen Mun with my parents.

We attended the ‘Easter Egg Hunt’ at the Sharks and Pirates Adventure Zone. We also attended another Easter egg hunt at the Gold Coast Lawn in the afternoon. Dad and I found many gold eggs. Mum found a pink egg. It was very beautiful. We were happy and excited.

In the evening, we had a buffet dinner at the hotel. We ate seafood and roast chicken. The dinner was delicious. I hope I can go to the Gold Coast again with my family.
