

Name: Cheung Tze Yiu, Samuel (6)

Class: P.3A

Making the panda badge

Nice!

1. Find some black, white dishcloths and two black buttons.

2. Cut out the shape of a panda, seven black circles and two big white circles.

3. Stick the two big white circles, six black circles and the buttons together with a glue stick. Use a black pen to draw the mouth.

4. Clean up the desk and throw away the rubbish.
