At the Cake Shop

Last Sunday was Sam's mum's birthday. Sam wanted to buy a cake and celebrate with her. Therefore, he went to the cake shop to buy a cake.

Once he arrived, he saw some cakes in the cake shop such as strawberry and chocolate. Sam wanted to buy the chocolate cake. It was the most expensive cake. Sam shouted 'Oh! It is one hundred dollars. It is too expensive.' But it looked yummy, so he decided to buy it.

Suddenly, he discovered that he lost his wallet. He shouted, 'Oh! Where is my wallet?' He felt worried and afraid.

Then, he walked back the same way and found that his wallet was in the park. After that, he returned to the cake shop and bought a chocolate cake.

In the end, he celebrated his mum's birthday with his parents. Dad made a birthday card for Sam's mum and they sang 'Happy Birthday.' They ate the chocolate cake and they were as happy as larks. It was a memorable day!
